盐城工业职业技术学院

1 关于盐城

盐城是一座具有两千余年历史的文化古城，一座沿海湿地城市，是淮剧的发源地，也是珍稀动物丹顶鹤和麋鹿的故乡。

2 关于盐城工业职业技术学院

盐城工业职业技术学院，坐落于这座东方湿地之都，她有着53年的办学历史，是江苏省示范性综合型高等职业院校，学校建筑面积20多万平方米，资产总值5亿多人民币，实验、实践仪器设备总值1亿多元。在校学生人数8000多人，拥有一支业务能力强、教学水平高、技术技能精的师资队伍，其中40%的教师具备中英文双语教学的能力。

校训：职业立身 技术报国
校风：和谐 求实 创新
教风：厚德 博学 精艺
学风：明理 勤学 践行

Yancheng Vocational Institute Of Industry Technology

1 About Yancheng

Yancheng is a cultural city with a history of two thousands years, and it is the cradle of Huai Opera, the hometown of rare animal elk and red-crowned crane.

2 About Yancheng Vocational Institute of Industry Technology

Yancheng Vocational Institute of Industry Technology is located in the eastern wetland city with 53 years of history, now it is a model higher vocational college in Jiangsu province, the construction area is more than 200 thousands square meters, total asset is about 500 million Yuan, the experimental instruments and equipment worth 100 million Yuan. The number of students in school is 8000; the faculty members have strong business ability, high teaching level, 40% teachers have the ability of bilingual teaching both Chinese and English.

School Motto: Living on Occupation, Serving by Specialty

School Spirit: Harmony, Truth and Innovation

Teaching Style: Moral, Knowledgeable and Professional

Learning Style: Sensible, Diligent and Practical

3 开展的国际合作与交流

学校先后与乌克兰马克洛夫国立造船大学、韩国全州VISION大学，加拿大北大西洋学院、莱姆顿学院，等多所国外高校开展国际合作，面向“一带一路”沿线国家招收留学生。

3 Established International Cooperation

Our college has successively established cooperation with Ukraine Admiral Makarov National University of Shipbuilding, Vision University of South Korea, and College of the North Atlantic and Lambton College of Canada.

4 二级学院介绍

现有汽车工程、机电工程、建筑工程、纺织服装、化学制药、艺术设计、经贸管理7个二级学院，开设专业42个。

4 The Secondary College

Now it has 42 majors and 7 Colleges: Automobile Engineering, Mechanical and Electrical Engineering, Construction Engineering, Textile and Clothing, Chemical Pharmaceutical, Art Design, Economic and Trade Management.

(1) 汽车工程学院

汽车工程学院设有汽车与机械两大专业群，共设有6个专业，其中国家重点专业（汽车技术服务与营销）1个，江苏省示范专业1个。专任教师博士、硕士占65%，具备工程师资质的教师占85%，学生参加全国职业院校技能大赛，获一等奖2项、二等奖5项、三等奖10多项。

(2) 机电工程学院

机电工程学院设有机电技术与自动控制两个专业群，共设6个专业，其中江苏省重点专业1个。专任教师博士、硕士占75%，具备工程师资质教师占81%，学生参加全国职业院校技能大赛，获一二等奖10多项。

(1) COLLEGE OF AUTOMOBILE ENGINEERING

It has automobile and machinery two major groups, six majors in all, including one national key major and one model major of Jiangsu province. Full-time teachers who have doctor & master's degree account for 65%, and the teachers with engineering qualification account for 85%, the students won the first prize twice, second prize five times, third prize over 10 times in the national vocational skills contest.

(2) COLLEGE OF MECHANICAL AND ELECTRICAL ENGINEERING

This School has Mechanical and electrical technology and automatic control two major groups, six majors in all, including one key major of Jiangsu province. Full-time teachers with doctor & master's degree account for 75%, the teachers with engineering qualification account for 81%, students won the first and second prizes over 10 times in the national vocational school skills contest.

(3) 建筑工程学院

建筑工程学院设有建筑工程技术与工程管理两个专业群，共设5个专业。专任教师博士、硕士占92%，具备工程师资质教师占75%，建筑材料与岩土专家2人，学生在全国职业院校技能大赛中获得各类奖项10多项。

(4) 纺织服装学院

纺织服装学院设有现代纺织技术与服装工艺两个专业群，共设6个专业，其中国家重点专业（纺织品检验与贸易）1个，江苏省示范专业（现代纺织技术）1个，江苏省特色专业（现代纺织技术、服装设计）2个。专任教师博士、硕士占72%，具备工程师与设计资质教师占91%，学生参加全国职业院校技能大赛，获一等奖10多项、二三等奖20余项。

(3) COLLEGE OF CONSTRUCTION ENGINEERING

This College has Architectural Engineering Technology and engineering management two major groups, 5 majors in all. Full-time teachers with doctor & master's degree account for 92%, the teachers with engineering qualification account for 75%, and two experts in building materials and geotechnic, students won the first and second prizes more than 10 times in the national vocational school skills contest.

(4) COLLEGE OF TEXTILE AND CLOTHING

This College has modern textile technology and clothing two major groups, total six majors, including one national key major, one model major and two specialty majors of Jiangsu province. Full-time teachers with doctor & master's degree account for 72%, and the teachers with engineering and designing qualification account for 91%, the students won the first prize more than ten times, second and third prize more than 20 times.

(5) 化学制药学院

化学制药学院设有应用化工与化学制药两个专业群，共设有6个专业，其中江苏省重点专业1个，江苏省特色专业1个。专任教师博士、硕士占77%，具备工程师资质教师占80%，学生参加全国职业院校技能大赛，获一等奖3项、二三等奖10多项。

(6) 艺术设计学院

艺术设计学院设有艺术与景观设计两个专业群，共设7个专业，其中江苏省重点专业（创意设计）1个，江苏省特色专业1个。专任教师博士、硕士占62%，具备工程师与设计师资质教师占85%，学生参加全国职业院校技能大赛，获得一二等奖30余项。

(7) 经贸管理学院

经贸管理学院设有财经与管理两个专业群，共设6个专业，其中江苏省特色专业1个。专任教师博士、硕士占72%，具备会计师与经济师资质教师占85%，学生参加全国职业院校技能大赛，获得一等奖3项、二三等奖20余项。

(5) COLLEGE OF CHEMICAL PHARMACEUTICAL

This College has application of chemical and pharmaceutical chemicals two major groups, total six majors, including one national key major and one specialty major of Jiangsu province. Full-time teachers with doctor & master's degree account for 77%, and the teachers with engineering qualification account for 80%, the students won the first prize three times, second and third prize more than 20 times.

(6) COLLEGE OF ART DESIGN

It has art and landscape design two major groups, total seven majors, including one national key major and one specialty major of Jiangsu province. Full-time teachers with doctor & master's degree account for 62%, and the teachers with engineering & designing qualification account for 85%, the students won the first or second prize more than 30 times.

(7) COLLEGE OF ECONOMIC AND TRADE MANAGEMENT

It has finance and management two major groups, total six majors, including one specialty major of Jiangsu province. Full-time teachers with doctor & master's degree account for 72%, and the teachers with accountant & economist qualification account for 85%, the students won the first prize 3 times and the second or third prize more than 20 times in national vocational skills contest.

5 盐城工业职业技术学院办学特色

创新办学体制，率先成立学校理事会，构建了政行校企四方合作办学体制机制。

创新育人模式，探索形成了具有自身特色的“双链对接、双教融合、双证融通、双元互动”的“四双”育人模式。

创新育人机制，树立“以生为本、生生皆可成才”的育人理念，探索“技能菜单”育人机制，通过校企共同设计技能菜单，实现学生为自己的职业发展点单，企业为学校的人才培养买单。

创新育人文化，坚持将学校文化与企业文化、行业文化、地域文化有机融合，培育形成了“求实”文化。

创新服务载体，全力构建科技研发、员工培训、创业训练、资源共享四大服务平台。

创新育人特质，致力于培养“为人诚实、理想务实、技能扎实、工作踏实、创新笃实”的“五实”人才。

6 盐城工业职业技术学院发展愿景

建成一批国内领先、省内一流的高水平专业。专业建设实现突破性进展，专业整体水平实现质的跃升，学校的综合实力显著提升。

打造一支高水平优秀双师型师资队伍。形成高层次人才梯队，拥有一批优秀“双师型”教师与“教练型”教学名师，拥有一批优秀科研团队，使学校成为支撑区域发展的人才高地。

5 Characteristics of Yancheng Vocational Institute of Industry Technology

Innovating the college running system, taking the lead in setting up the school board, and constructing the system of government, industry, school and enterprise 4-side co-operation.

Innovating the education mode, explored and formed a Four Double education mode, which is double chain docking, double teaching integration, double certificate integration and double culture interaction.

Innovate the education system, establish a "student oriented, students can be taught" educational philosophy, explore the "skill menu" education system, through the common designed skills menu, realize students' ORDER for their occupation development, and enterprises PAY for their professional training.

Innovative education culture, adhere to the college culture and enterprise culture, industry culture, regional culture organic integration and cultivation, forming a "realistic" culture.

Innovative service carrier, and strive to build four service platforms, including scientific and technological research and development, staff training, entrepreneurship training and resource sharing.

Innovative education characteristics, committed to training talents with "five real" characteristics, which are honest behaves, pragmatic ideal, solid skills, steady work, excellent innovation.

6 Development prospects of Yancheng Vocational Institute of Industry Technology

We aim to build a number of domestically leading, first-class high-level majors in the province. Professional construction has achieved breakthrough progress. We've made a significant achievement on overall level of professional quality, and the comprehensive strength of the school has improved significantly.

Build a high level excellent double-qualified teachers team. The formation of high-level talent echelon, with a group of excellent "double teacher" teacher and "coach type" teaching masters, has a group of outstanding research team, so that the school has become a support for regional development talent base.

构建省内一流的技术技能人才培养体系。人才培养质量关键指标位于省内前列，培养出一批杰出校友，使学校成为区域人力资源建设的重要基地。

形成贡献显著的科技创新与服务能力。开展产学研前瞻性研究，形成一批重大影响的标志性成果，在区域重点建设行业 and 关键发展领域中确立不可替代的地位。

探索具备自我特色的现代大学制度。建立学术权力和行政权力相互协调、相互支撑的学校内部治理结构。形成多方参与、与社会有机互动的办学体制。形成高效有序、公开透明、规范自律的办学机制。

盐城是一个让人打开心扉的地方，欢迎到盐城工业职业技术学院做客！

Construct the first-class technical talents training system in the province. The key indicators of talent training quality are in the forefront of the province, and a group of outstanding alumni have been trained to make the school an important base for the construction of regional human resources.

Form the scientific and technological innovation and service ability with significant contribution. Carry out the forward-looking research of production, learning and research, to form a number of significant results of symbolic impact, and to establish an irreplaceable position in the regional key construction industry and key development areas.

Explore the modern university system with our own characteristics. Establish the internal governance structure of academic power and administrative power in coordination with each other. Form a school system with multi participation and interaction with society. To form an efficient, orderly, open, transparent, standardized and self-disciplined school system.

Yancheng is a place to open your heart. Welcome to visit Yancheng Vocational Institute of Industry Technology!
